

HIV PREVENTION 2030

A Global Access Framework for Country-Led Responses

Webinar | Tuesday 31 March 2026 | 15:00–16:15 CET

[Registration link](#)

Join the unveiling of the new HIV Prevention 2030—A Global Access Framework for Country-Led Responses.

The Framework provides a pathway to countries on how to operationalize the new 2030 prevention targets laid out in the 2026–2031 Global AIDS Strategy and effectively implement sustainable HIV prevention programmes in the new era of prevention.
